By the end of the continuing education activity, the participant will be able to:

1. Identify the difference between resident and provider rights.
2. Identify the major goal of HIPAA.
3. Identify 3 forms of advance directives for Texas.
4. Identify the largest diagnosis that affects ALF residents.
5. Identify 2 of the 4 largest physical risks in facility residents.
6. Identify 4 of 8 symptoms of depression in the elderly.
7. Identify 2 treatment options for depression in the older adult.
8. Identify the difference between social loneliness and emotional loneliness.
9. Identify the definition of spirituality

Successful completion of this course with 12 clock hours awarded requires completion and submission of a post-test meeting the requirements of a pre-determined score, self-reported level of achievement of objectives, a completion of the course before the deadline date(30 days to complete) and a completion of the online course evaluation.
