Presents

Administrators in Texas “8”

**(AN ONLINE LEARNER-PACED
PROGRAM)**

The following course objectives will be discussed:

1. Participant will be able to state the purposes of Health and Safety Code Ch. 142 (Home and Community Support Services) and its relationship to quality of care.
2. Participant will be able to gain knowledge of the Health and Safety Code Ch.250 (Nurse Aide Registry and Criminal History Checks of Employees and Applicants for Employment in Certain Facilities serving the Elderly or Persons with Disabilities).
3. Participant will be able to list five rights of the elderly as stated in the Human Resources Code Ch. 102.
4. Participant will understand the Americans with Disabilities Act that protects disabled Americans.
5. Participant will be able to increase their understanding of The Civil Rights Act of 1964 and understand the amendments that replaced this act with The Civil Rights Act of 1991.
6. Participant will be able to distinguish between the two

laws that protect individuals with disabilities – The Rehabilitation Act of 1973 and 1993 and The American with Disabilities Act.

7. Participant will be able to describe the specific reasons of family and medical leave outlined in The Family and Medical Leave Act of 1993.
8. Participant will be able to describe various occupational safety and health standards promulgated under the OSH (The Occupational Safety and Health) Administration Act of 1970.

Successful completion of this course with contact hours awarded requires completion and submission of a post-test meeting the requirements of a pre-determined score, self-reported level of achievement of objectives, a completion of the course before the deadline date(30 days to complete) and a completion of the online course evaluation.

**This activity provides 12
Clock Hours**
