11201 Steeple Park Drive  
Houston, Texas 77065  
Phone (832) 237-2525  
Fax (832) 237-2505

The following course objectives will be discussed:

1. The participant will identify the timeframes the physician must follow when conducting the face- to-face encounter with the patient.
2. The participant will be able to identify the required documentation requirements for the face-to-face encounter visit.
3. The participant will be able to identify who may perform the face-to-face encounter.
4. The participant will be able to identify where the physician must document the face-to-face encounter.

**Successful completion of this course with 1.37 contact hours awarded requires completion and submission of a post- test meeting the requirements of a pre-determined score, self-reported level of achievement of objectives, a completion of the course before the deadline date (30 days to complete) and a completion of the online course evaluation.**
