Compliance Review Services, Inc., Educational Unit is an approved provider of continuing nursing education by the Texas Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

The purpose of this presentation is to provide the learner with useful information on the Joint Commission Healthcare Organization's standards and processes. This presentation overviews the regulatory process including how Joint Commission conducts the initial Medicare survey in accordance with the State's regulatory requirements. In addition, this presentation overviews Joint Commission's National Safety Goals and segments of operational systems that need to be in place and understood in order to pass the initial Joint Commission Medicare Survey.
