OASIS C – Outcome and Assessment Information Set

**(AN ONLINE SELF-DIRECTED
PROGRAM)**

The following online course objectives will be discussed:

1. Participant will be able to explain the regulatory requirements for a comprehensive OASIS (Outcome and Assessment Information Set) assessment.
2. Participant will be able to recognize the importance of meeting OASIS time frame requirements.
3. Participant will be able to identify the time points for OASIS assessment and apply special guidance from CMS (Centers for Medicare and Medicaid Services).
4. Participant will be able to identify new guidelines for OASIS C and the OASIS Guidance Manual.
5. Participant will be able to discuss answers to a variety of questions which are used to determine accurate responses to OASIS.
6. Participant will be able to identify the purposes of OASIS and the data obtained from the collection of OASIS.

7. Participant will understand how to score OASIS items accurately.
8. Participant will be able to explain wound/ostomy guidance on OASIS Skin and Wound status items.

Successful completion of this course with 3.5 contact hours awarded requires completion and submission of a post-test meeting the requirements of a pre-determined score, self-reported level of achievement of objectives, a completion of the course before the deadline date(30 days to complete) and a completion of the online course evaluation.

Participant will b

CONTACT HOURS – 3.5
