Time is Ticking Administrators Clock Hour Requirements

The following course objectives will be discussed:

1. The participant will be able to identify 3 subjects to be covered in the Initial 8 clock hours of education for administrators.
2. The participant will be able to identify 3 subjects covered in the additional 16 hours of the Initial training for administrators.
3. The participant will be able to identify 3 topics that must be covered in the 12 hours of continuing education after the first year.
4. The participant will be able to identify 2 of DADS requirements related to administrator educational hours.

Successful completion of this course with 1.38 contact hours awarded requires completion and submission of a post-test meeting the requirements of a pre-determined score, self-reported level of achievement of objectives, a completion of the course before the deadline date (30 days to complete) and a completion of the online course evaluation.
